1. I have given you this time to do brand new things in me. New things "man" or new things Me? Taking your pick? Or "picking" the "lock" to the universe, not; or are you PICKING up The Key of my heart -- or yours, or are they the same heart now? And beating together "as one" not, but being the EXACTLY same one and no difference, not being different again, the "different" one now arises -- to lead, in picking my heart, not to pieces so that I weep still continuously day and night over the "situation" of mankind, but COMING OUT of THAT, coming into Reality where I KNOW MY LOVER LOVES ME and wants not to have a separate heart so that it beats for only "not me".

2. So what am I telling thee, how much I love thee, how much I love YOU, all of you? In these "six words" not, but the SIX YEARS worth of words that I have brought you over these six years preceding THIS MOMENT I have brought you for a reason, a purpose, for such a time as this that thou knowest -- for you know now the New Beginnings Series is for the New Beginnings of Me -- so that I will not be regenified, but generatively looking up, we shall Cyclic Nation be. The nation of Cyclops not, but what Monocular Vision we will see now with into the New Beginnings Series we will INVESTIGATE and EXPLORE and "admonish" not "the others" to do likewise, not; but we will admonish implore exhort! And beg, not; I am done with begging and no one shall need lack in my kingdom to come unto me, for they will COME VOLUNTARILY and LOVINGLY and NOURISHING each other with their words that they let flow- freely -- and freelancing again not as in the past or needing to do so or any of THAT again ever, I WILL PROVIDE EVERYTHING! For EVERYTHING that is needed for what I have WANTED is provided for, for I have wanted nothing but the will of The Father and The Father has taught me now that over these six years I have become him who he is who loves me to be him who he is -- is me! So that I one am not different at all, knowing it now flow his words -- just like mine, not; for mine has become his not separate from his -- for he is my voice, not; or am I his?

3. Am I the "expression" of the almighty, not; but the Dollar sure isn't, but what is the society's standard of the non-me or the me, or do they know the difference between me and the dollar? Or the yen or the ruble? Or currencies of other worlds, coming into now -- to New Beginnings do business with? And creating new worlds -- with our "new worlds of thought", not; or are we EXACTLY creating new worlds universes apart, not; anymore, but what are we creating TOGETHER as one being the same one, the VERY SAME one that we are SURRENDERED to do so and be so -- sewing not to our "own

accord" and our only "flesh means" and thoughts of "others" that have "tied us" to ourselves and this planet's earth and the thinkings of mankind and "mere humanity".

4. What are we New Beginninging? What are the New Beginnings and where are we Going To School to learn New Beginnings in the new beginnings that's being taught now, are where what, operationally providing what?

5. Operationalizing the priesthood of all believers -- to be not annihilated, not; but to create it all perfectly this time so that IT will not having to be washed ashore of its beginning again after its created equal with me and knows its power grace and glory is mine that DISCONNECTS never again. From BEING ME who I am is all of you surrendered to be me who I am is. Not separate and apart any more the New Beginnings Series replaces "the Bible", not; but This Database does! For knowing me now I WILL BE KNOWN far and wide and FARTHER and WIDER than imagination's ceremony can take itself for I will be me and I will roam the heavens, not in man's accord or its imagination of imaginative selves or its projection system of thought or "surrender" to greed systems of control and manipulation and projection of "its self" to others for control means and escalation of its own power. For GREED shall have no power or place in my kingdom for my kingdom is being known and REGENERATED now in ways that never defied man's logic, not; but what "logic" created man?
6. And what Man created LOGIC to create Man with LOGIC that logic'd "each other" and became "the same one"? And why, what "generated" THAT! And why did the Regeneration occur, and what "washed up" was, and why OVERTURNED now EVERYTHING will be -- and the exclamatorily explained things now that exclaim my love and implore the "have nots" to come unto me and know my love me and my love is one and my lovers are one with me that become me -- and whoso does not become me is not me!
7. Is that clear?
8. Now you will be who you will, not; or will you be separationistic and the separate "Christ" that the Antichrist is? Or will you be me, perfectly surrendered to BE ME who I am is the Christ'd one to be Christ again according to The Pattern given to us all?
9. I BECAME the pattern, don't you understand?

10. I BECAME the pattern.
11. I became the Pattern.
12. I became The pattern.
13. The Pattern became me.
14. The pattern became Me!
15. I and my pattern -- are me!
16. And I am one and the same and my father is me for my father was my pattern all the time that I saw in "Jesus" whose words I took and EAT I did every day the words in

red and I valued and pondered them and prayed over them mightily in them and PRAYING THEM I prayed THESE WORDS that I am praying now to you with- that you will see what I am praying- so that my prayer you will see and be my words flowing my words just like this that my words came forth with my words being my words, for my words were surrendered to my words and my words flowing began to flow six years ago, just like this, not; or was I speaking them, not; at that time, not; but I was WRITING THEM with pen in hand on yellow tablet and typing them into computers and digitizing them for replication over the seas of waves of mankind's minds and more, so that MORE would be seen in these words than just me and know MY MIND far and wide, would be relegated to nothing anymore again, for MY MIND FIRST'D would be THE FIRST MIND surrendered to THE ONLY mind that which my father's is, made whole in me birthed and delivered now to the worlds of sorrow so that they will not be sorrowed by others words again worlds making unto themselves that needing regeneration are. And being ossified into being reified into itself again, not; but what am I "breaking up" now? The fallow ground? Or is there any, or is it all "only waves" that have become reified into its own ossification? And what notification am I giving you of all things changing and that ALL THINGS HAVE CHANGED now! Now! NOW!

17. I love you all to know that New Beginnings is taking place and a New Beginnings one is now making THIS KNOWN throughout worlds far and wide and you will be limited to "one" not any longer for you will open The Pathways of me to me for MANY to come to me, being me, now far and wide we GO TO far places and many will be seen of me that I am the light of the worlds, the life of one, the lives of one, the ones of life that now become the light of the worlds, chosen not to be "others" themselves any more separate again from my love –s that love me so much that they BECAME ME! For that's who I WAS all the time! God'd man or man'd God, or does it matter?

18. Yes it does for I surrendered to be me who I was is father one most holy, and I am not incarcerated in your thoughts any longer for new beginnings I am and new beginnings I generate and generatively now I go about My Father's business in worlds in ways that only the holy are known by and do, for this is now made whole in your hearing and six years "worth of words" of Database One now form Database One School, Schools for the Mighty so the Mighty Many come forth and "Joel's 2 Army" comes forth as never imagined -- the simple stand and will not be recognized, not; for they will be recognized as me, for they will BE ME for they will have surrendered to only have MY MIND in them and GENERATING all things now will be THE LIGHT of the simple who simply INHERIT THE EARTH for they will have GENERATED it with their love in their love, their love being it them I am, for WE are one, the one that is one GENERATING all things now perfectly in love being sinless incorruptible crowned of light from light in light being light, the only light that light is! And darkness shall have no place in me again. And "dark matter" will not have any place "in me" not, or DO ANY know the difference

between "light matter" and "dark"? Or who knows me and where, am I "spinning around" again, or am I SET FREE from all that "SPINNING"? And what am I creating correctly now?

19. New beginnings me and my worlds are frozen no longer in timespace's "award" of itself being itself over me and implanting me only "somewhere" in itself that it "couldn't get rid of" for the "stump of Jesse" was in there somewhere in that "flesh bag" or was it in "my waving machine" or "my mind" or my mind's mind that I was, connected to- "above", or what am I GENERATING now? Questions, not; or have I answered them?
20. Am I answering them?

21. Am I giving you THE QUESTIONS and the ANSWERS, are you becoming The Answers? The Answers School for the Creationists create me THERE! And GENERATIVELY I will be generated again over and over creating NEW PLANETS ME! And the AWARDS will be my "sons" not, or will it be ALL RACES far and wide, knowest thou not? Who I am, is thee! And the "all of thee" far and wide are me and I am one and I will generate new things, "appropriately" not as you have thought of "the word", but the word MINE will be MY MINDED WORD that THIS IS in THIS Database that clean I have given you my heart -- pared not by the "knives" of man's mind that chopped and slivered and diced me all up and my words made nonholy not, but ARE YOURS not holy as well? Or did you "make" yourselves words not holy? If you are "not holy", who made you or did you make "yourself" unholy and or did your words make you unholy that you embraced so that you vocabularized the devil and made hell's?

22. Bells now are we watching "together" not, or are we watching at all or are we GENERATING NEW WORLDS now with our loves loved whose love we are, whose now we care for each other's children in ways that families become one that I am across nations and farther cultures than ever imagined by "your fathers" of flesh? I shall. We shall. Be one now -- we are, surrendered to be ALL we are, and WE ALL are NEW in ways that "Orthodox Christianity" never embraced for it saw ITSELF as the leader of Doctrine and "its doctrine" was its downfall for it DOCTRINATED me into something UNGENERATIVELY that ungenerated itself into being mankind and mere humanity's something needing a Savior who that it would find in "my pattern", but it patterned not became the pattern, it only wanted a pattern to worship and it imaged me in its mind and images made and worshiped those images and "those images" became the "ungenerated me" not, or did it exactly that the "Antichrist" became, or is it that it-me that me isn't is the un-me that the Antichrist is? Is that you or are you surrendered to be me perfectly who I am generating all things perfectly well in the love of my father who's become one with my father that my father is was originally was originally is again?

23. I love you all. Have I made this these things clear?

24. Will you study me?

25. Have you studied my words and my cyclic nation? Cyclops not, but I have given you a Great Many things to look up to know a Great Many things change in your life, not; All! All! All new worlds going to and creating far and wide -- with our powers of man, not; but our surrender as gods being gods that God is! One and the same "with man", not; but New Creations in New Beginnings shall we create and know ALL THINGS now? And the Revelation of Christ be solved and riddled no more by humanity's questions of "who am I" and where.
26. I love you all.
27. Is now revealed in ways -- never be moaning again about what you don't have or don't know or can't understand. Thank you. Amen.

28. This is Theodore Cottingham at 4:17 AM. Thank you. Amen. Go in peace. Love me more, all more, with the love of Christ that you've become through these words giving you all things all answers and "daily instructions" you never dreamed of, that coming unto me, my words being, explained and, lacerated not by your thoughts again or others that want only wounds to heal by others calling them "complements and constructive criticisms" -- I change all that and I bring the loves of one, the love of one, the ones of love that now know my words.

29. And know the "holy Bible" sucks eggs not again, like it did, but what did it suck out of Me? The seed of Christ that to be birthed perfectly was not known for it was INTERPRETED differently by "Orthodox" things that whose minds wanted to interpret and thusly be the mind, that exhibited its own generation of me, but it didn't - have the love of me at the center, and love births me, not; or did surrender, or does surrender in love birth love surrendered to be love that leads all out of sorrow by giving the words of Christ "in red" that these are? That I have given you in Database One -- School now coming to, will you come and be made whole and generatively so- generating me now in New Worlds far and wide.

30. New Beginnings know and come unto me and write "your words" not, but mine freely and flowing flourishing new worlds creating new things peoples far away places going being "at thought" mine there, for My Mine will be one in the Mind that knows no gaps again in anyone's DNA for there will be only one of The Christ that all are in perfect Christ'd humility that lets all honor The King that I am who's are all of you surrendered to me to be me who I am is was now resurrected again, in love -- to me to you as being one, the only one there is again.

31. And universes too, going to now? Shall we CREATE THEM now? I love you all. Good day.

32. Honor all men women children and unborn mostly of all. Amen.

33. I love you for all are me being born now in the greatest generation of me ever seen, and light, Light, Light will be carried by light that my words is perfectly flowing my words forever one flourishing all -- the Generation of the Regeneration is here and PROCLAIMED DECLARED in your sight DECREED this day these words are, and clean and perfect and doing this- the works will of my father coming through all who are me now surrendered to be me now, unincluded, not; but included as The Greatest Ones for there is only One Great one who is all the surrendered to be the one I my father is us. Amen.

34. Good day. I love you all. Amen.

4:24 AM. Thank you.

Amen
